Chairman's letter

Dear fellow shareholder,

I am pleased to invite you to W.A.G. payment solutions plc's 2025 Annual General Meeting ("**AGM**"). The AGM will be held at 4pm (BST) on Thursday 22 May 2025 at Third Floor (East), Albemarle House, 1 Albemarle Street, London W1S 4HA.

The AGM is an important opportunity for the Board to receive feedback from our members as the Company pursues its purpose to help the commercial road transport ("**CRT**") industry to become clean, fair, and efficient. The Board and I look forward to our continued engagement with our shareholders.

1. Voting

The Notice of AGM, which follows this letter, sets out the business to be considered at the meeting. Explanatory notes on each resolution are set out on pages 6 to 10 of this document. Voting on each of the resolutions to be put to shareholders at the AGM will be conducted by a poll. This is in line with best practice and ensures a more accurate and democratic final result which reflects the voting preferences of all shareholders who have lodged a proxy instruction, not only those who attend the AGM in person. If you are unable to participate in the AGM in person on the day, please submit a proxy instruction in advance of the proxy deadline. Guidance on the appointment of proxies, corporate representatives and voting can be found on pages 16 to 18 of this Notice. The results of the voting will be published on the London Stock Exchange and on the Company's website as soon as practicable after the AGM.

2. Re-election of directors

On 21 January 2025, it was announced that Sharon Baylay-Bell and I would step down from the Board. Sharon Baylay-Bell left the Company on 21 February and I will leave the Company immediately following the AGM. All the continuing Directors will stand for re-election at the AGM. This is in line with Provision 18 of the UK Corporate Governance Code 2024 (the "**Code**") and the Company's Articles of Association (the "**Articles**"). Further details and the Directors' biographies can be found on pages 19 to 21 of this Notice.

3. Dividend

The Board proposes a special dividend of 3.00p per ordinary share for the year ended 2024. If approved the recommended dividend will be paid on 3 July 2025 to all shareholders who are on the register of members on 27 June 2025.

Shareholders who hold shares in certificated form and wish to receive their dividend directly to their bank or building society account will need to complete a dividend payment mandate by 25 June 2025 which is available from Computershare Investor Services PLC ("**Computershare**"). Computershare can be contacted via the helpline (0370 703 0032) and shareholder website (www.investorcentre.co.uk). Alternatively, please write to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, Avon BS99 6ZZ.

4. Background to and reasons for the waiver resolution (Resolution 14)

The Directors of the Company, other than Martin Vohánka (the "**Independent Directors**"), believe that it is in the best interests of the Company for the Company to have the authority to buy back ordinary shares in the Company ("**ordinary shares**") in the market if they become available at an attractive price. The Board will only exercise such authority if it considers that the effect of such purchase would be to increase earnings and/or net assets per ordinary share and that such exercise would be in the best interests of shareholders generally. In addition, the Board will only exercise the authority if it is satisfied that the Company has, at the time such purchase is contemplated, sufficient cash resources for current working capital purposes and distributable reserves and that there will be no requirements for financing from third parties for this purpose. If the Company were to buy back ordinary shares in the market to the extent permitted by Resolution 18 the effect of this would be that current shareholders' percentage interest in the business would increase. In the case of the Concert Party, the interests of the Concert Party would increase from 51.98% of the issued share capital of the Company to 57.75%. In the case of Martin Vohánka, the interests of Martin Vohánka would increase from 47.68% of the issued share capital of the Company to 52.97%. The effect of this increase in percentage interest would be that Martin Vohánka would ordinarily be required to make an offer for all of the ordinary shares in the Company that he does not currently own, pursuant to Rule 9 of the City Code on Takeovers and Mergers (the "**Takeover Code**"). The approval of the Waiver Resolution by shareholders other than the Concert Party ("**Independent Shareholders**") at the AGM would remove this requirement should it arise due to a buyback of ordinary shares.

Under the Takeover Code, where any person who, together with persons acting in concert with him, holds shares carrying more than 50% of the voting rights of a company, acquires interests in additional voting shares then they will not generally be required to make a general offer to the other shareholders to acquire their shares. Accordingly, should the potential increase in the interest in ordinary shares of the Concert Party described in this paragraph occur, then the Concert Party and Martin Vohánka (in his individual capacity) would not be subject to the provisions of Rule 9 of the Takeover Code and, therefore, may acquire interests in additional voting shares whilst not being required to make a general offer to the other shareholders to acquire their shares, although the individual members of the Concert Party will not be able to increase their percentage interest in shares through a Rule 9 threshold without the consent of the Panel.

Chairman's letter continued

5. Recommendation

The Board considers that all the proposed resolutions set out in this Notice of AGM are in the best interests of the Company and the shareholders as a whole, save that Martin Vohánka (as a member of the Board) makes no recommendation with regard to the Waiver Resolution, as it is the potential percentage increase in his interest in the ordinary shares which is the subject of the Waiver Resolution.

Accordingly, the Board (with the exception of Martin Vohánka in respect of the Waiver Resolution as just described) recommends that shareholders vote in favour of each of the resolutions at the AGM, which the Directors (with the exception of Martin Vohánka in respect of the Waiver Resolution as just described) intend to do in respect of their own beneficial holdings of ordinary shares representing 0.02% in respect of the Waiver Resolution and 47.68% in respect of all other resolutions of the issued ordinary shares respectively as at 1 April 2025, the Latest Practicable Date prior to publication of this document.

The Independent Directors, who have been so advised by Peel Hunt LLP ("**Peel Hunt**"), consider the buyback by the Company of its ordinary shares under the proposed "Market Purchase Authority" (set out in Resolution 18) and the waiver of the obligation that could arise on Martin Vohánka to make an offer under Rule 9 of the Takeover Code following buybacks carried out under the Market Purchase Authority to be fair and reasonable and in the best interests of the Independent Shareholders and the Company as a whole. In providing their advice to the Independent Directors, Peel Hunt has taken into account the Independent Directors' commercial assessments. Accordingly, the Independent Directors unanimously recommend that Independent Shareholders vote in favour of the Waiver Resolution to be proposed at the AGM, as the Independent Directors intend to do in respect of their own beneficial holdings of 163,913 ordinary shares, which amount to approximately 0.02% of the issued share capital at 1 April 2025, the Latest Practicable Date prior to publication of this document.

I want to thank shareholders for their continued support and investment into Eurowag and its vision.

Yours faithfully

Paul Manduca

Chairman of W.A.G. payment solutions plc

Resolution 15

This authority shall continue for the period ending on the date of the Annual General Meeting in 2026 (or, if earlier, at the close of business on 30 June 2026) (the “**Period of Authority**”), provided that the Directors shall be entitled to make offers or agreements before the expiry the Period of Authority which would or might require shares to be allotted or such rights to be granted after such expiry and the Company may allot shares and grant rights pursuant to any such offer or agreement as if the Period of Authority had not expired.

Special resolutions

Resolution 16

That subject to the passing of Resolution 15 above, the Directors of the Company be and are hereby empowered pursuant to Section 570 of the Companies Act 2006 (the “**Act**”), to allot equity securities (within the meaning of Section 560 of the Act) for cash pursuant to the authority conferred upon them under Resolution 15 above as if Section 561 of the Act did not apply and pursuant to Section 573 of the Act to allot or sell equity securities (within the meaning of Section 560 of the Act) held by the Company as treasury shares (within the meaning of Section 724(5) of the Act) for cash as if Section 561 of the Act did not apply, provided that this power shall be limited to:

- a. the allotment of equity securities in connection with a rights issue, open offer or any other offer in favour of holders of ordinary shares (within the meaning of Section 560 of the Act) and any other persons entitled to participate in such issue or offering where the equity securities respectively attributable to the interests of such holders and persons are proportionate (as nearly as may be) to the respective numbers of ordinary shares held by or deemed to be held by them on the record date of such allotment, subject to such exclusions or other arrangements as the Directors may consider necessary or expedient to deal with fractional entitlements or legal or practical problems arising under the laws or requirements of any territory or the requirements of any regulatory authority or any stock exchange; and

provided that the authority conferred pursuant to this Resolution 16 shall expire at the conclusion of the Company's next AGM in 2026 or, if earlier, at the close of business on 30 June 2026, save that in each case, prior to its expiry, the Company may make offers, and/or enter into agreements, which would, or might, require equity securities to be allotted (and/or treasury shares to be sold) after this authority expires and the Board may allot equity securities (and/or sell treasury shares) under any such offer or agreement as if the authority given by this Resolution 16 had not expired.

Resolution 17

If Resolution 15 is passed, and in addition to the power conferred by Resolution 16, to authorise the Directors pursuant to Section 570 and Section 573 of the Companies Act 2006, to allot equity securities (within the meaning of Section 560 of that Act) for cash pursuant to the authority conferred by Resolution 15 and by way of a sale of treasury shares as if Section 561(1) of that Act did not apply to any such allotment, provided that this power shall:

- a. be limited to the allotment of equity securities or sale of treasury shares to any person or persons up to an aggregate nominal amount of £345,241.77; and
- b. only be used for the purposes of financing (or refinancing, if the authority is to be used within twelve months after the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on disapplying pre-emption rights most recently published by the Pre-Emption Group prior to the date of this notice.

This authority conferred pursuant to this Resolution 17 shall expire at the conclusion of the Company's next AGM in 2026 or, if earlier, at the close of business on 30 June 2026, provided that the Company shall be entitled to make offers or agreements before the expiry of such authority which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities pursuant to any such offer or agreement as if this authority had not expired.

Resolution 18

That, in accordance with Section 701 of the Companies Act 2006 (the "**Act**") the Company is hereby generally and unconditionally authorised to make market purchases (within the meaning of Section 693(4) of the Companies Act 2006) of ordinary shares of 1 penny each in the capital of the Company provided that:

- a. the maximum number of ordinary shares hereby authorised to be purchased is 69,048,351;
- b. the minimum price (exclusive of expenses) which may be paid for an ordinary share is 1 penny per share;
- c. the maximum price (exclusive of expenses) which may be paid for an ordinary share is, in respect of an ordinary share contracted to be purchased on any day, the higher of: (i) an amount equal to 105% of the average of the middle market quotations of an ordinary share of the Company derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the ordinary share is contracted to be purchased; and (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out;
- d. the authority hereby conferred shall expire at the close of the AGM in 2026 or 30 June 2026 (whichever is earlier) (unless previously renewed, varied or revoked by the Company in general meeting); and
- e. during the relevant period the Company may make a contract to purchase ordinary shares under this authority prior to the expiry of such authority which will or may be executed wholly or partly after the expiry of such authority and may make a purchase of ordinary shares in pursuance of any such contract as if the authority had not expired.

Resolution 19

To authorise the calling of general meetings of the Company (not being an Annual General Meeting) by notice of at least 14 clear days.

By order of the Board.

Victoria Penrice FCG

Company Secretary

9 April 2025

Explanation of the resolutions

Resolution 1 – Report and accounts

The Board presents the Annual Report and audited financial statements of the Company for the year ended 31 December 2024.

Resolution 2 – Directors' remuneration report

Resolution 2 seek shareholder approval for the Directors' Remuneration Report as set out on pages 96 to 110 (inclusive) of the Annual Report for the year ended 31 December 2024. The Directors' Remuneration Report discloses how the Company's existing Directors' Remuneration Policy was implemented during 2024 and sets out details of each Director's remuneration throughout the year. The vote is advisory and the Directors' entitlement to remuneration is not conditional upon the resolution being passed.

Resolution 3 – Dividend

The Board is recommending a special dividend of 3,00p per ordinary share for the financial year ended 31 December 2024. Subject to the approval of shareholders, the dividend will be payable on 3 July 2025 to shareholders on the Company's register of members at close of business on 27 June 2025.

Resolutions 4–10 – Re-election of directors

In accordance with the Company's Articles of Association and the UK Corporate Governance Code 2024 all Directors will retire at the AGM and Mirjana Blume, Steve Dryden, Sophie Krishnan, Kevin Li Ying, Morgan Seigler, Martin Vohánka and Oskar Zahn will stand for re-election at the AGM. Resolutions 4–10 (inclusive) propose their re-election by the Company's shareholders.

As previously announced, Paul Manduca will step down from the Board at the end of the AGM and will therefore not be seeking re-election.

The Nomination and Governance Committee has reviewed the independence of Mirjana Blume, Sophie Krishnan and Kevin Li Ying and determined that they are all independent in character and judgement and there are no relationships or circumstances which are likely to affect their judgement.

Steve Dryden, who will become the Non-Executive Chairman immediately after the conclusion of the AGM, was independent upon appointment. Mr Dryden has no executive roles and the Nomination and Governance Committee has recommended to the Board that Mr Dryden has the requisite capacity and is able to devote more than sufficient time to his role as Chairman of the Company and should be put forward for re-election at the AGM.

Morgan Seigler was appointed under the terms of the relationship agreement with TA Associates and is, therefore, not considered independent.

The Nomination and Governance Committee has also reviewed and concluded that each Non-Executive Director possesses the necessary mix of skills and experience to continue to contribute effectively to the Company's long-term sustainable success. Furthermore, notwithstanding their other appointments, the Board is satisfied that each Non-Executive Director is able to commit sufficient and appropriate time to their Board responsibilities.

The biographical details of each Director, setting out the skills and experience each brings to the Board, can be found in Appendix 1 on pages 19 to 21.

All Directors who are standing for re-election at the AGM are recommended by the Board.

As at 1 April 2025 (being the Latest Practicable Date), Martin Vohánka held 47.68% of the total voting rights of the Company. Consequently, under the UK Listing Rules, Martin Vohánka is classed as a "controlling shareholder" of the Company. The Company's independent Non-Executive Directors seeking re-election at the AGM are, therefore, subject to Rule 6.2.8 of the UK Listing Rules requiring that such re-election must be approved by a majority vote of both the Independent Shareholders and the shareholders as a whole.

Resolution 11 – Re-appointment of auditor

The auditor of a company must be appointed or re-appointed at each general meeting at which the accounts are laid. Resolution 11 proposes, on the recommendation of the Audit and Risk Committee, the re-appointment of PricewaterhouseCoopers LLP as the Company's Auditor, until the conclusion of the next general meeting of the Company at which accounts are laid.

The Audit and Risk Committee considers the re-appointment of the external Auditor each year before making a recommendation to the Board. The Board recommends the re-appointment of the Auditor.

Resolution 12 – Remuneration of auditor

The Audit and Risk Committee reviews the fee structure, resourcing and terms of engagement for the external Auditor annually; in addition, it reviews the non-audit services that the Auditor provides to the Group on a quarterly basis. The Board is seeking authority for the Audit and Risk Committee to fix the Auditor's remuneration.

Resolution 13 – Political donations and political expenditure

The Company is required to seek shareholders' authority for any donations to registered political parties. The definition of political donation and political expenditure in this context is very wide and extends to bodies such as those concerned with policy review, law reform and the representation of the business community.

It is the policy of the Company not to make, and the Company does not make, donations to political organisations or incur political expenditure in the ordinary sense and has no intention of using the authority for this purpose. However, this resolution is proposed for approval as a precaution to avoid inadvertent breach of the legislation as a result of the wide meanings given to the terms "political donations" and "political expenditure".

This resolution, if passed, will authorise the Directors until the next AGM or 30 June 2026 whichever is the earlier, to make donations and incur expenditure which might otherwise be caught by the terms of the Companies Act 2006, up to an aggregate amount of £100,000 for the Company and for subsidiary companies.

Resolution 14 – The waiver resolution

The Waiver Resolution, which will be proposed as an ordinary resolution to be taken by poll of shareholders other than the Concert Party (as defined below) ("**Independent Shareholders**"), seeks shareholders' approval of a waiver of the obligation that could arise on Martin Vohánka to make a general offer for the entire issued share capital of the Company as a result of purchases by the Company of ordinary shares pursuant to the Market Purchase Authority.

Due to the Company's shares being admitted to listing on the Official List and being admitted to trading on the Main Market of the London Stock Exchange, the Company is subject to the Takeover Code. Under Rule 9 of the Takeover Code, when: (i) any person acquires, whether by a series of transactions over a period of time or not, an interest in shares which, taken together with shares in which he and persons acting in concert with him are interested, carry 30% or more of the voting rights of a company subject to the Takeover Code, or (ii) any person who, together with persons acting in concert with him, is interested in shares which in aggregate carry not less than 30% of the voting rights of a company but does not hold shares carrying more than 50% of such voting rights, and such person, or any person acting in concert with him, acquires an interest in any other shares which increases the percentage of the shares carrying voting rights in which he is interested, then, in either case, that person is normally required to make a general offer to all other shareholders to acquire their shares. An offer under Rule 9 must be made in cash and at the highest price paid by the person required to make the offer, or any persons acting in concert with him, for any interest in shares in the company during the 12 months prior to the announcement of the general offer.

Where any person who, together with persons acting in concert with him, holds shares carrying more than 50% of the voting rights of a company to which the Takeover Code applies, acquires interests in additional shares which increases the percentage of shares carrying voting rights in which they are interested, then they will not generally be required to make a general offer to the other shareholders to acquire their shares, although individual members of a Concert Party will not be able to increase their percentage interests in shares through or between a Rule 9 threshold without Panel consent.

Rule 37 of the Takeover Code

Under Rule 37 of the Takeover Code, when a company purchases its own voting shares, any resulting increase in the percentage of shares carrying voting rights in which a person or group of persons acting in concert is interested will be treated as an acquisition for the purposes of Rule 9 of the Takeover Code (although a shareholder who is neither a Director nor acting in concert with a Director will not normally incur an obligation to make a Rule 9 offer). Accordingly, if Martin Vohánka's shareholding increased as a result of the exercise of the Market Purchase Authority, Martin Vohánka would be required to make a mandatory offer for the remainder of the issued share capital of the Company. The Concert Party, in aggregate, currently holds shares carrying more than 50% of the voting rights of the Company. As such, if the Concert Party's aggregate shareholding increased as a result of the exercise of the Market Purchase Authority, they will not generally be required to make a mandatory offer for the remainder of the issued share capital of the Company.

The waiver under Rule 9

The Company has applied to the Panel for a waiver of Rule 9 of the Takeover Code to permit the Market Purchase Authority to be exercised by the Board (if such authority is approved by shareholders) without triggering an obligation on the part of Martin Vohánka to make a general offer to shareholders. The Panel has agreed that, subject to Independent Shareholders' approval on a poll, to waive the requirement for Martin Vohánka to make a general offer to all shareholders where such an obligation would arise as a result of purchases by the Company of up to 69,048,353 ordinary shares. Accordingly, the Waiver Resolution is being proposed and will be taken on a poll, to be passed by more than 50% of votes cast by shareholders, not including the Concert Party's shareholding, at the Annual General Meeting present in person or by proxy and voting at the Annual General Meeting.

The members of the Concert Party will not be entitled to vote on the Waiver Resolution and have undertaken not to vote on the Waiver Resolution. No other shareholder is considered to be acting in concert with the Concert Party. If approved, the Waiver Resolution will expire at the earlier of 30 June 2026 and the conclusion of the next Annual General Meeting of the Company.

Explanation of the resolutions continued

Resolution 14 – The Waiver Resolution continued

The Concert Party

Martin Vohánka, David Holy, Tomáš Svatoň and Pascal Guyot are considered to form a Concert Party together for the purposes of Rule 9 of the Takeover Code due to their longstanding personal and professional relationships (the “**Concert Party**”).

Martin Vohánka founded the Group in 1995, shortly after leaving high school, and continues to be CEO. Over the years, Martin has successfully developed and scaled the business from an energy payments solution to an integrated payments and mobility platform for the commercial road transport (“**CRT**”) industry, that includes toll payments, on-board telematics, route optimisation and much more.

Martin Vohánka is currently beneficially interested in an aggregate of 329,195,021 ordinary shares, representing 47.68% of the issued share capital of the Company as at 1 April 2025 (being the Latest Practicable Date), held by himself directly and through Couverina Business, s.r.o (a private company wholly owned by Martin Vohánka).

David Holy, Tomáš Svatoň and Pascal Guyot are individuals and former members of the Group’s management, who continue to provide consulting services to the Group. The Concert Party holds 358,907,292 ordinary shares representing 51.98% of the issued share capital of the Company as at the Latest Practicable Date.

As at the close of business on the Latest Practicable Date the interests, rights to subscribe and short positions (all of which are beneficial unless otherwise stated) of each member of the Concert Party in the ordinary share capital of the Company as notified to the Company are stated on page 14 of the Notice of meeting.

As described on page 112 of the 2024 Annual Report, under the Relationship Agreement with Martin Vohánka and Couverina Business, s.r.o, Martin Vohánka has the right: (i) to nominate for appointment up to two Non-Executive Directors to the Board while Martin Vohánka together with his associates’ shareholding in the Company is greater than or equal to 25% of the votes available to be cast at general meetings of the Company; and (ii) to nominate for appointment one Non-Executive Director to the Board while Martin Vohánka together with his associates’ shareholding in the Company is greater than or equal to 10%. Under the Relationship Agreement, Martin Vohánka shall not be considered as a nominee director for so long as he is an Executive Director of the Company. However, for so long as he is an Executive Director of the Company, his right to appoint nominee directors shall be reduced by one, to reflect his appointment as a Director of the Company. Martin Vohánka opted not to appoint any nominee directors.

If the Company were to repurchase from persons other than Martin Vohánka all the ordinary shares for which it is seeking authority, Martin Vohánka’s interest in shares would increase to 52.97% of the issued share capital of the Company by virtue of such actions. If the Company were to repurchase from persons other than members of the Concert Party all the ordinary shares for which it is seeking authority, the interests of the Concert Party would similarly increase to 57.75% of the issued share capital of the Company.

Accordingly, following the exercise of the Market Purchase Authority as described in the foregoing paragraph: (a) the Concert Party will continue to hold ordinary shares carrying more than 50% of the Company’s voting share capital; and (b) Martin Vohánka individually will hold ordinary shares carrying more than 50% of the Company’s voting share capital. The effect of this increase in percentage interest would be that Martin Vohánka would ordinarily be required to make an offer for all of the ordinary shares in the Company that he does not currently own, pursuant to Rule 9 of the Takeover Code. The approval of the Waiver Resolution by Independent Shareholders would remove this requirement should it arise due to the exercise of the Market Purchase Authority. Under the Takeover Code, where any person who, together with persons acting in concert with him, holds shares carrying more than 50% of the voting rights of a company, acquires interests in additional voting shares then they will not generally be required to make a general offer to the other shareholders to acquire their shares. Accordingly, should the potential increase in the interest in ordinary shares of the Concert Party described in this paragraph occur, then the Concert Party and Martin Vohánka (in his individual capacity) would not be subject to the provisions of Rule 9 of the Takeover Code and, therefore, may acquire interests in additional voting shares whilst not being required to make a general offer to the other shareholders to acquire their shares, although the individual members of the Concert Party will not be able to increase their percentage interest in shares through a Rule 9 threshold without the consent of the Panel.

Martin Vohánka is not proposing any changes to the Board and his intention, following any increase in his shareholding as a result of any repurchase of ordinary shares, is that the business of the Company, including any research and development functions, should continue to be run in substantially the same manner as at present. Martin Vohánka has also confirmed that he is not proposing, as a result of any increase in his shareholding following any repurchase of ordinary shares by the Company, to seek any change in: (i) the locations of the Company’s business, headquarters or headquarter functions; (ii) the continued employment of employees and management of the Company and its subsidiaries, including any material change in conditions of employment or balance of skills and functions; and/or (iii) contributions into the Company’s pension scheme (including with regard to current arrangements for the funding of any scheme deficit the accrual of benefits for existing members and admission of new members); and (iv) nor will there be any re-deployment of the fixed assets of the Company nor any change to the Company’s listing on the London Stock Exchange.

If the Waiver Resolution is passed, Martin Vohánka and the Concert Party will not be restricted from making an offer for the Company.

The Independent Directors have noted for the purposes of their recommendation Martin Vohánka’s intentions with respect to the future operations of the business and the fact that no changes are proposed.

The Waiver Resolution will expire at the earlier of 31 December 2026 and the conclusion of the next Annual General Meeting of the Company.

Resolution 15 – Directors' authority to allot shares

Under the Companies Act 2006, the directors of a company may only allot new shares (or grant rights over shares) if authorised to do so by the shareholders in a general meeting. The authority in paragraph 15 (a) of the resolution will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to a nominal value of £2,278,595.65, which is equivalent to approximately one-third (33.3%) of the total issued ordinary share capital of the Company (exclusive of treasury shares) as at 1 April 2025, being the Latest Practicable Date prior to publication of the Notice of meeting.

The authority in paragraph 15 (b) will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares only in connection with a rights issue up to a further nominal value of £2,278,595.65, which is equivalent to approximately one-third (33.3%) of the total issued ordinary share capital of the Company (exclusive of treasury shares) as at 1 April 2025.

As at 1 April 2025, being the Latest Practicable Date prior to publication of the Notice of meeting, the Company does not hold any ordinary shares in treasury within the meaning of the Companies Act 2006.

In total, the resolution will allow the Directors to allot a maximum aggregate of two-thirds of the issued share capital of the Company and is considered in line with the Investment Association's Share Capital Management Guidelines.

The Directors have no present intention to undertake a rights issue or to allot shares or grant rights to subscribe for or convert any security into shares pursuant to this authority, other than in connection with employee share and incentive plans. However, the Directors consider it desirable to have the flexibility to respond to market developments and to enable allotments to take place in appropriate circumstances. If the resolution is passed the authority will expire on the earlier of the next AGM or 30 June 2026.

Resolutions 16 and 17 – Authority for disapplication of pre-emption rights

Resolutions 16 and 17 deal with the granting of power to Directors to allot securities whilst disapplying pre-emption rights (the rights for shareholders to have first refusal on the issue of new shares by a company) and seeks the additional authority to disapply pre-emption rights for purposes of acquisitions or capital investments.

Resolution 16 grants the Directors power to allot equity securities and sell treasury shares in exchange for cash without first offering them to existing shareholders in proportion to their existing shareholdings. Equity securities include ordinary shares in the Company. Resolution 16 allows the Directors to issue equity securities and to sell treasury shares for cash on a non-pre-emptive basis: (i) to ordinary shareholders in proportion to their existing shareholdings and to holders of other equity securities as required by the rights of those securities, or as the Directors consider necessary, and to deal with, among other things, treasury shares, fractional entitlements and legal and practical problems in any territory, for example, in the case of a rights issue or other similar share issue; and (ii) otherwise, up to an aggregate nominal amount of £345,241.77 (representing 34,524,176 ordinary shares). This number represents approximately 5% of the issued share capital as at 1 April 2025, the Latest Practicable Date prior to publication of the Notice.

Resolution 17 seeks this separate authority to permit the Directors to allot shares for cash or dispose of treasury shares up to a maximum nominal value of £345,241.77, otherwise than in connection with a pre-emptive offer to existing shareholders for the purposes only of financing or refinancing a transaction as set out in the Pre-emption Group's Statement of Principles, representing approximately a further 5% of the Company's issued ordinary share capital as at 1 April 2025. Where the authority granted under Resolution 17 is used, the Company will disclose this in the announcement regarding the issue, the circumstances that have led to its use and the consultation process undertaken.

The authority granted by Resolution 17 would be in addition to the general authority to disapply pre-emption rights under Resolution 16. The maximum nominal value of equity securities which could be allotted if both authorities were used would be £690,683.54 which represents approximately 10% of the issued share capital of the Company (exclusive of treasury shares) as at 1 April 2025.

The Directors have no present intention of exercising these powers but believe that these resolutions will assist them to respond to market developments and to take advantage of business opportunities as they arise.

Explanation of the resolutions continued

Resolution 18 – Purchase of own shares

Authority is sought in Resolution 18 to purchase the Company's own ordinary shares, up to a maximum of 69,048,353 ordinary shares, until the next AGM or 30 June 2026, whichever is the earlier (the **"Market Purchase Authority"**). This represents 10% of the ordinary shares in issue (excluding shares held in treasury) as at 1 April 2025, being the Latest Practicable Date prior to the publication of the Notice. The Company's exercise of this authority is subject to the stated upper and lower limits on the price payable, the upper limit being the price stipulated in Commission Delegated Regulation (EU) 2016/1052 as referred to in Article 5(6) of the UK Market Abuse Regulation (**"MAR"**), and the UK Listing Rules.

Pursuant to the Companies Act 2006, the Company can hold any shares which are repurchased as treasury shares and either re-sell them for cash, cancel them either immediately or at a point in the future, or use them for the purposes of its employee share schemes. Holding the repurchased shares as treasury shares will give the Company the ability to re-sell or transfer them in the future and will provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares. Shares held as treasury shares will not automatically be cancelled and will not be considered in future calculations of earnings per share (unless they are subsequently re-sold or transferred out of treasury).

The Directors consider it desirable and in the Company's interests for shareholders to grant this authority. The Company will not, save in accordance with a predetermined, irrevocable and non-discretionary programme, repurchase shares in the period immediately preceding the preliminary announcement of its annual or half year results as dictated by the UK Listing Rules or MAR or, if shorter, between the end of the financial period concerned and the time of a relevant announcement or, except in accordance with the UK Listing Rules and the MAR, at any other time when the Directors would be prohibited from dealing in shares.

As at 1 April 2025 (being the Latest Practicable Date), share options under the Performance Share Plan were outstanding in respect of 13,859,149 ordinary shares which, if vested in full using newly issued shares, would represent 2.01% of the issued share capital of the Company as at that date. If the authority for the Company to purchase its own shares (existing and being sought) were used in full, that percentage would increase to 2.23%. As at 1 April 2025, there were no outstanding warrants to subscribe for equity in the Company and the Company does not hold any ordinary shares in treasury within the meaning of the Companies Act 2006.

Resolution 19 – Notice of general meetings

Under the provisions in the Companies Act 2006, listed companies must call general meetings (other than an annual general meeting), which must always be held on at least 21 clear days' notice unless the company:

- a. has obtained shareholder approval for the holding of general meetings on 14 clear days' notice by passing an appropriate resolution at its most recent annual general meeting; and
- b. offers the facility for shareholders to vote by electronic means accessible to all shareholders.

To enable the Company to utilise the shorter notice period of 14 days for calling such general meetings, shareholders are asked to approve this resolution. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. If granted, this authority will be effective until the Company's next Annual General Meeting.

In the case of joint members, only one need sign the Form of Proxy. The vote of the senior joint member will be accepted to the exclusion of the votes of the other joint members. The completion and return of the Form of Proxy will not stop you attending and voting in person at the meeting should you wish to do so. A proxy need not be a member of the Company.

You may appoint more than one proxy provided each proxy is appointed to exercise the rights attached to a different share or shares held by you. If you choose to appoint multiple proxies, use a separate copy of the form (which you may photocopy) for each proxy and indicate after the proxy's name the number of shares in relation to which they are authorised to act (which, in aggregate, should not exceed the number of ordinary shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. All forms must be signed and returned in the same envelope. If you wish to abstain from voting on any resolution, please mark these resolutions withheld. It should be noted that a vote withheld is not a vote in law and will not be counted in the calculation of the proportion of votes "For" and "Against" a resolution. If you do not indicate how your proxy should vote, they can exercise their discretion as to whether, and if so how, they vote on each resolution, as they will do in respect of any other business (including amendments to resolutions) which may properly be conducted at the meeting.

A company incorporated in England and Wales or Northern Ireland should execute the Form of Proxy under its common seal or otherwise in accordance with Section 44 of the Companies Act 2006 or by signature on its behalf by a duly authorised officer or attorney whose power of attorney or other authority should be enclosed with the Form of Proxy.

CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the Company's agent (ID: 3RA50) by the latest time(s) for receipt of proxy appointments specified in the Notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a proxy's appointee through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001. All messages relating to the appointment of a proxy or an instruction to a previously appointed proxy, which are to be transmitted through CREST, must be lodged at 4pm on 20 May 2025 in respect of the meeting. Any such messages received before such time will be deemed to have been received at such time. In the case of an adjournment, all messages must be lodged with Computershare Investor Services PLC no later than 48 hours before the rescheduled meeting.

Termination of proxy appointments

8. In order to revoke a proxy instruction, you will need to inform the Company. Please send a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, Avon BS99 6ZY.

In the case of a member which is a company, the revocation notice must be executed under its common seal or otherwise in accordance with Section 44 of the Companies Act 2006 or by signature on its behalf by an officer or attorney whose power of attorney or other authority should be included with the revocation notice.

If you attempt to revoke your proxy appointment but the revocation is received after the time specified in Note 2 above then, subject to the paragraph directly below, your proxy will remain valid.

If you submit more than one valid proxy appointment in respect of the same ordinary shares, the appointment received last before the latest time for receipt of proxies will take precedence.

Nominated persons

9. If you are a person who has been nominated under Section 146 of the Companies Act 2006 to enjoy information rights:
- you may have a right under an agreement between you and the member of the Company who has nominated you to have information rights ("**Relevant Member**") to be appointed or to have someone else appointed as a proxy for the meeting;
 - if you either do not have such a right or if you have such a right but do not wish to exercise it, you may have a right under an agreement between you and the Relevant Member to give instructions to the Relevant Member as to the exercise of voting rights; and
 - your main point of contact in terms of your investment in the Company remains the Relevant Member (or, perhaps, your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you.

If you are not a member of the Company but you have been nominated by a member of the Company to enjoy information rights, you do not have a right to appoint any proxies under the procedures set out in the notes to the Form of Proxy.

The Company may not require the members requesting such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006, and it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on its website.
